Welcome, Peace Be With You Indiana Brothers and Sisters!

Love and Prayers to those that were in the path of hurricane and continued recovery.
Be mindful of incoming Solar flares/CMEs and additional potential storms that have the potential of coming up to Indiana, as we just witnessed with Hurricane Helene, Milton. Mission Statement and Disclaimer

The Indiana Assembly©
Mission Statement

Our Indiana Assembly is dedicated to the restoration of a complete and fully operational land and soil jurisdiction State and County court system serving the people of Indiana, the preservation of the National Trust, the enforcement of the Public Law, the upholding of the Federal Constitution owed to our State and People, the re-population of our land and soil jurisdiction, the filling of vacated Public Offices, and the reclamation of our material and intellectual public and private assets.
To these ends we, the living people of Indiana, have called the eligible Indiana Nationals and Citizen electors to assemble and to serve as Jurors and Officers, and we have established the process and procedure to qualify Jurors and others competent to hold State Citizenship and Public Office.
We do this peacefully and without rancor in the exercise of our unincorporated powers and capacities.

Disclaimer:

We are engaged in the practice of self-government.

Everyone here is volunteering their precious time and skill. Each one is an American with rights and prerogatives equal to your own.

They are doing this work out of mutual necessity, to restore the lawful American Government.

Demands for service, temper tantrums, and misplaced anger are inappropriate.

This country does not belong to its government. This country belongs to the people who live here. And you are one (1) of them.

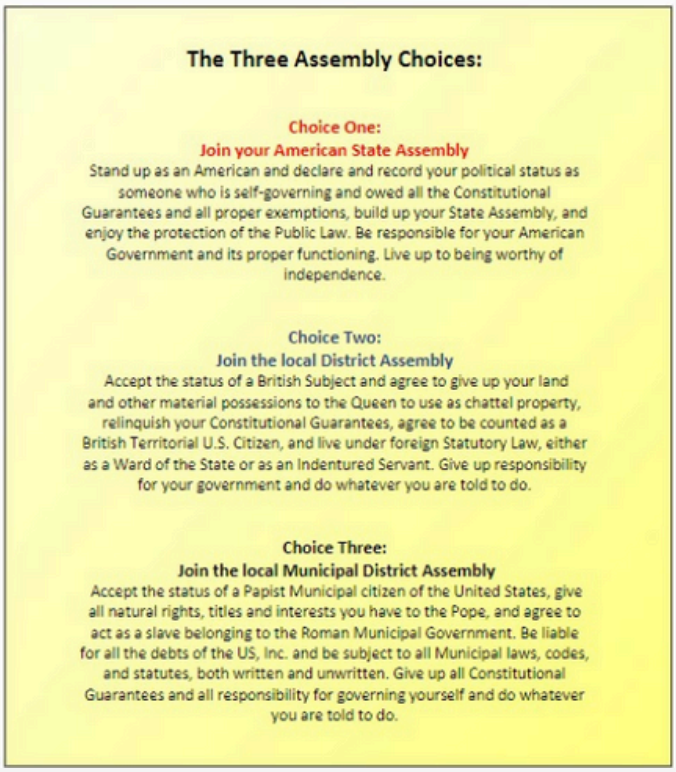
You've Got Three Choices!



The Three Assembly Choices:

Choice One:
Join your American State Assembly
Stand up as an American and declare and record your political status as someone who is self-governing and owed all the Constitutional Guarantees and all proper exemptions, build up your State Assembly, and enjoy the protection of the Public Law. Be responsible for your American Government and its proper functioning. Live up to being worthy of independence.

Choice Two:
Join the local District Assembly
Accept the status of a British Subject and agree to give up your land and other material possessions to the Queen to use as chattel property, relinquish your Constitutional Guarantees, agree to be counted as a British Territorial U.S. Citizen, and live under foreign Statutory Law, either as a Ward of the State or as an Indentured Servant. Give up responsibility for your government and do whatever you are told to do.

Choice Three:
Join the local Municipal District Assembly
Accept the status of a Papist Municipal citizen of the United States, give all natural rights, titles and interests you have to the Pope, and agree to act as a slave belonging to the Roman Municipal Government. Be liable for all the debts of the US, Inc. and be subject to all Municipal laws, codes, and statutes, both written and unwritten. Give up all Constitutional Guarantees and all responsibility for governing yourself and do whatever you are told to do.

Article 5021 Committee of the Whole Clarification for Militia
https://annavonreitz.com/clarificationformilitia.pdf

At the outset, after an individual has been advised of the facts and has made their declaration recovering their birthright status as an American, they have a choice. They can join their State Assembly or not.

Once they have made that decision and have joined the State Assembly, they have also accepted certain obligations as members and participants in the State Government.

If they are eligible to serve as State Citizens they are automatically considered members of the International Business Assembly as well as the General Assembly, and must show reasonable good cause for not serving in this capacity.

The same is true of the General Membership and the Jural Assembly. All members can be called upon to serve as Jurors and form two common law jury pools depending on the nature of each case to be considered --- whether the matter is totally within state borders, or is international in nature. Again, as State Assembly members we are obligated to serve unless we show good cause otherwise.

The same is true of the Militia. We are expected to participate unless there is good cause why our participation is not possible or ill-advised at a given time.

This element of duty which is not present in Common Committees means that each of these Four Pillars is in fact a separate Assembly in its own right.

Everyone who is eligible is expected to serve as State Citizens, if they can, as Jurors, if they can, and as Militia members, if they can.

"For an adult to choose the status of State National usually implies some condition of need. ASN or ASC?

From Article 2492 – "Assembly Administration Questions and Covid 19"

A **State Citizen** holds a unique allegiance to their State of the Union, so as to guarantee as much as possible, no conflicts of interest on their part. Unique means "singular". While participating as a State Citizen and acting as a member of a State Assembly you may not hold any other allegiance to any other government. Period. This prohibition applies to Tribal Governments, State of State governments, the U.S. Federal Citizenships, and more obviously foreign governments, like England, Germany, and France.

You can be either: (1) a State National or (2) a State Citizen.

Being a State National or a State Citizen does not necessarily mean that you qualify to be a State Elector. You can be part of the State Jural Assembly and serve as a Juror without being a State Elector. You can be elected to a Public Office, such as Sheriff, without being able to vote for yourself. This is because of the pesky issue of letting non-landowners vote on questions that only affect landowners, and therefore the requirement that State Electors be landowners.

State Nationals, State Citizens and Electors

From Article 1566 – "For All The State Jural Assemblies - 25 State Electors, State Nationals, and State Citizens," By Anna Von Reitz

State Nationals = everyone born within the physical geographical borders of a State. A National has no particular duty to serve the State other than to obey the Public Law (Non-Statutory Law) and keep the peace.

State Citizens = those State Nationals who additionally choose to serve the State Government in some capacity, such as Jurors, Militia Members, elected officials, or hired officers.

State Electors = those State Nationals who own land in the State and meet other requirements such as legal age, etc., to participate in State Elections.

- Notes: You may have to confirm Not Spam on your side a few times. Get in the habit of checking the SPAM/Junk/Promotions/etc. folders daily to ensure none slipped in. Also, Delete all SPAM/Junk/Promotions/etc. after each check so you don't mix up what you have already confirmed.

Document Preparation Services:

- Assembly Recording Secretary Prepared - https://athomeonindiana.org/statuscorrection
- Private American State National Prepared - https://whiteelephantcall.org/status-correct/

Email Records: records@TheIndianaAssembly.org

- Scan all documents into a PDF. Do not take a picture and then convert to PDF. This still creates it as a photo first and uses additional ink to print. Photos of any documents, including the BC, will be Rejected. **Note:** There is an exception to the Cancellation of VOTER Registration, see below for more details.
- Documents that are Not Federation Approved Templates, or Altered/Modified beyond the personal details, or include any Territorial (such as 'USMOI') or MUNICIPAL verbiage will be Rejected as they are not included in the Federation Approved Templates.
- Documents presented with any form of Parse Syntax, including :John-Mark: Doe. or the use of 'i,' in place of 'I,' will be Rejected. See list of common Anna Articles later in this News Letter.
- Documents presented with an 'additional Notary page,' or ST OF ST Notary signed to an Assembly Recording Secretary or Assembly Public Notary block will be Rejected, as they are not acting in that capacity. Be ware! Some Notaries will do it anyway knowing that it Invalidates the document in their Jurisdiction as well.
- A complete presentment of each of the Notices includes: example for all Notices
    - VOTER Registration-copy of Cancel Voter Registration sent to all places Registered and Voted, to include either copy of Postage Paid Receipt(s) or stamped copy from walking in to a COUNTY office to Cancel. **Notes:** A photo converted to PDF of an envelope with postage stamps doesn't meet the requirement. Should be sending Priority Mail, Registered Mail, or Certified, which would provide a Postage Paid Receipt. Even if using Postage Stamps to pay, you have to hand to the Postal Worker, then get a Receipt. If using Postage Stamps without additional service(s), still hand to the Postal Worker and ask for Tracking. This is a Free Service, and will give a Receipt that confirms delivery is in transit.
